On September 7, sixty seniors made their way into their various classrooms to begin their fourth and final year at Southeast.

Almost immediately, plans for a trip to Washington began, putting everyone into a wild fury thinking of ways to make money to finance the trip.

Many other things were happening also. Mary Lou Springston was chosen by the entire school to reign as queen at the Homecoming Dance. Carol Lewis was the senior attendant in her court.

The Sock Hop, Senior Assembly, Pictures, Senior Supper, Senior Play, the arrival of our Class Pins, Invitations, Name Cards, and caps and gowns, kept us busy up to the day of Commencement.

We proudly salute Louann Thorpe, who was valedictorian with a 3.94 point average and Pauline Veppert, Salutatorian with a 3.74 point average.

Finally, Commencement — an event eagerly awaited but with sad hearts and misty eyes. So brought to a close our journey through high school, a long eventful voyage.

Janet Llewellyn and Patty Hughes were chosen as the queen's attendants from our class.

We worked quite hard preparing for the Homecoming Dance and the Junior-Senior Prom, but our work was well rewarded. Both dances were very successful. We'd like to thank our advisors, Mrs. Hubert, Mr. Trewella, and Mr. Ludick, for all the help they gave us.

Jeanne Vogel, Gordon Ball, and Jim Lee were chosen to represent us on the Student Council.

Pirates' Log

We worked hard, under the capable direction of Mrs. Lipp, Mr. Holb, and Mr. Pfeiffer to put together a book we thought everyone would like.

By changing the color, part of the cover design, adding more and bigger snapshot and title pages, we tried to bring you a bigger and better yearbook. We decided to extend the date you would receive the book until the first weeks in September so that we might get in all the spring activities.

We hope you approve and enjoy this 1953-54 yearbook for many years to come..

GRADE SCHOOL NEWS

CHARLESTOWN

The enrollment at Charlestown this year reached the 285 mark. Again this year we had two first grades and a combined fourth and fifth.

Miss Henderson, first-grade teacher, Mrs. Grant, first-grade teacher, Mrs. Cary, second-grade teacher, Mrs. Clinger, third-grade teacher, and Mrs. Morton, fifth-grade teacher, were newcomers to the faculty. We missed the services of Mrs. Cassidy, who retired.

The home-room mothers gave parties for the lower grades. In the upper grades, field trips were arranged.

The P.T.A. presented a new movie projector to the school; we are very grateful for the gift.

Miss Halvern was in charge of music this year. The band played for commencement.

Our basketball team had a fair season, and they deserve much credit for their sportsmanship and fighting spirit. Letters were presented to the players and cheerleaders on recognition night.

A Christmas program was presented to an overflowing crowd. The teachers did a fine job with the program.

The eighth grade made the annual trip to Schoenbrunn. They also spent a day at Nelson Ledges. The biggest thrill came on May 24 — graduation!

DEERFIELD

It was a happy time when we all renewed our friendships on September 7. Our enrollment was 271. Mrs. Frederick is our new first grade teacher. We now have two first grades at Deerfield.

The first activity of the year was the Annual School Fair sponsored by the P.T.A. This was a highly successful event.

With the approach of winter, plans for the holidays began. The last four grades presented the annual Christmas program under the able direction of Mrs. Chalker, our music teacher.

Deerfield shone in basketball again. Our team was the champs of our district. Thoughts then turned to spring and baseball.

The first of many spring activities began with the Spring Music Festival under the direction of Mrs. Chalker. The entire school participated in this activity. Other spring activities followed—the recognition banquet, individual room activities, and the event to which we have looked so long — graduation..

PALMYRA

Each year school is very much the same, perhaps because the old saying, "Children never change" may be true. However, our school year was much the same, yet different than the previous years.

The differences were:

The first day of school saw the busses bulging at the seams—the reason—our enrollment had increased. The first day also saw a new teacher in our midst. Mrs. Alice Gram-

mer, 7th grade. Miss Sue Halvern, music, came later in the year. First grade was divided; Miss Florence Lewis was the first teacher and Mrs. Eleanor McConnell finished out the year.

Our Safety Patrol elected David Sampson, captain, Judy Cory and Ronnie Hughes, Lieutenants. Our patrol was honored by being selected to send one patrolman to Washington, D. C.

Judy Cory was elected president of Student Council. John Jackson, elected as judge, and a jury greatly improved behavior in our school.

Although we didn't win any championships in basketball, our boys won eight games and lost only four.

Our new projector, purchased by the P.T.A. and the board of education, was a greatly appreciated improvement.

The similarities were the election of the cheerleaders which always causes excitement. Ruthan Sickle, Annie Griggs, Judy Cory, and Delores Lewis represented our school. The newspaper went to press regularly with the able assistance of the staff. The seventh grade published the last issue.

Awards were given at a special assembly on May 21 by the deputy sheriff and Mr. Mendiola. Graduation came on Tuesday, May 25.

As a final parting, we would like to say: "Farewell eighth grade, we wish you success."

PARIS

Paris Elementary School opened its doors for the 1953-54 school year on September 7, to one hundred eighty-seven pupils and several new faculty members. The new faculty members were Mrs. Brewer, Mrs. Clinger, and Mr. Johnson. Later, we enjoyed having Mrs. Morris, Mrs. Lewis, and Mrs. Cassidy join our staff.

The year raced by interspersed with such activities as Halloween, Christmas, and surprise parties for the teachers.

Paris inaugurated an educational movie program shown on Thursday of each week.

Two outstanding "live" programs were a magician show and a mountain-climbing demonstration-lecture.

The Paris Tribune was published by Paris Eighth Grade every two weeks.

Paris was also active in sports with a seventeen-player basketball team with all members playing at least once during the season. We had ten letter-men and five cheerleaders. An athletic recognition banquet was held for the team and cheerleaders.

An "Old-Timers" Team and a "Ladies" Team played at Paris to raise money successfully for our school.

Paris Seventh and Eighth Grade Softball Team was formed to play other district grade schools.

Several trips taken during the year by Paris upper grades were to the General Motors Exhibit at Warren, W.K.B.N. Radio and Television Station at Youngstown, the Akron Airport, and the yearly trip to Schoenbrunn.

All in all, Paris School has had an active and successful school year during 1953-54 and we look forward to many more worthwhile and happy school seasons.
